DAY 3
Destination: Barcelona
Meals included: Breakfast
Hotel: 4 ★ Hotel FrontAir Congress Barcelona, or similar

This impressive city is ours to explore today! Barcelona is a stunning metropolis right on the Mediterranean Sea. This morning we will begin an informative city tour with a local expert. We'll visit the city's historic central area with its Gothic neighbourhood dating back to the Middle Ages as well as the area where the Olympic Games took place. You'll have the opportunity to see and photograph the unforgettable Sagrada Familia Basilica; the masterpiece designed by the architect Gaudí. Following this we'll tour the “Poble Espanyol” (meaning “Spanish Village”). This open air architectural museum is situated in one of the most emblematic areas of Barcelona. Be delighted by the best Spanish craftsmanship and discover the architectural styles, traditions and folklore of the different communities in Spain. After our guided tour, enjoy some free time to explore the city on your own. In the evening we'll provide transfer to Las Ramblas and Plaza Catalunya area, where you can select from a great variety of restaurants (including Indian, Chinese, Halal, International and regional Spanish cuisine). Enjoy a magnificent dinner of your choosing and take the opportunity to bond with new friends. Following dinner we will return to hotel.

Optional Tour: La Sagrada Familia of Antonio Gaudí
The Holy Family building proposes one of the most exciting experiences possible today, integrating us in the vision of a genius, Antoni Gaudí, capable of imagining at the beginning of the 20th century a building that incorporated the viewer in the process of Divine Creation, and made for almost 150 years, successive generations were involved in his dream.
Something different, impossible to find anywhere else, a living element that evolves as it is concluded, together with the feelings of those who visit it and know it in depth. A monumental complex impossible to compare: a complex architectural project, a world heritage site, on whose exterior stand out its 18 towers with more than 100 meters high; its three thematic facades where Life, Death and Glory are represented by innumerable statues and symbologies based on nature and the Gospels; an interior space that allows the spiritual communion of those who enter, transferred by Gaudí to a Mediterranean forest in which the light filters with different tonalities through its stained glass windows, bathing the inclined columns branched like trees.

DAY 4
Destination Barcelona — Peñiscola — Valencia
Meals included Breakfast
Hotel 4 ★ Sercotel Sorolla Palace, or similar

Today we say farewell to Barcelona as we travel south along the spectacular Mediterranean coast. This drive would not be the same without a special stop at Peñiscola, a beautiful walled town situated on the shores of the sparkling sea. After a short introduction given by our guide, make your own way through the town, discovering the fishing port, the seaside castle and the lovely beach. After enjoying your stroll, savour some lunch at one of the local restaurants. Following this we will continue our drive towards Valencia, the third largest Spanish city. Here we will visit the City of Arts and Sciences, the most important modern tourist site in the city of Valencia. Next we’ll take a walk through the historic centre of the city where our guide will accompany us to the Cathedral, consecrated in 1238 by the first bishop of Valencia. This evening we’ll transfer to the Plaza de Toros, a bullring built in the 1850’s inspired by the Roman Colosseum architecture. After a pleasant lunch we will continue on our way to the coastal Murcia Region in southeastern Spain. Here we will visit Caravaca de la Cruz, a major pilgrimage site and considered by the Catholic Church to be one of the 5 holy cities. Its castle and basilica, located at the top of the old town, holds a relic of Christ’s Cross. We will reach this historic area via the local tourist train as it can be challenging to reach on foot. The highlight for today will be a guided tour of the immense Alhambra Palace and its beautiful Generalife Gardens built in Arab times. Alhambra is a designated UNESCO World Heritage Site and the inspiration for many songs and stories. The colour of its buildings set against the surrounding woods has been described by poets as “a pearl set in emeralds”. Enjoy a local lunch before taking off on your own to explore the magnificent Granada Cathedral and its Royal Chapel containing the sepulchre of the Catholic Kings. Later this evening we will transfer to the Albaicín of Granada, another World Heritage site where you can enjoy dinner along the narrow winding streets of this captivating Medieval Moorish quarter. The beautiful vocals, impressive guitar playing and passionate dancing makes this a truly remarkable and memorable experience.

Note: in the Alhambra complex, the Nazari palaces allow a limited number of people in at a time. Sometimes your visit may be in the afternoon, depending on the timetables in which we are allowed in. The red walls surrounding the city, built in 1122-1123 and the red sandstone used in the construction of the city's various buildings have given the city the nickname "Red City". After our guided tour you will have some free time to relax at the pool or to discover one of the famous Marrakech Souks (local markets). In the evening, you’ll have the option to experience an authentic Fantasia dinner and cultural show illustrating traditional Moroccan folklore.

Prepare for a day full of excitement in the Sahara Desert and the Valley of a Thousand Kasbahs, the ancient caravan route used by sultans and traders. We’ll pass through river valleys containing thousands of palm trees and stoney plains dotted with oases and adobe villages. A natural highlight of today’s adventure will be a visit to the stunningly magnificent Todgha Gorge. Here we will explore the series of steep limestone canyons carved out by the Todgha and Dades Rivers. Along our way we will also stop for a brief tour at a small town built from adobe next to Khorbat, where visitors will be able to learn about this desert community, which is supported by the Europamundo Foundation. (Note: Sometimes access is not possible due to weather conditions, which may involve flooding of the river). We continue from here toward the oasis town of Erfoud. Anyone who wishes can go on an adrenaline-boosting excursion through the Sahara Desert and experience dusk among the otherworldly sand dunes.

Optional Tour: Land Rovers Desert ride
