Welcome to Sri Lanka! Today begins your magnificent tour through one of this year’s top travel destinations. Upon arrival at Bandaranaike International Airport, you’ll be warmly greeted by one of our representatives and transferred to your hotel in Colombo. This fantastic city brings together the old and the new as its gorgeous Colonial ruins and buildings contrast with modern high-rise hotels and commercial banks.

Enjoy a late morning today to relax and adjust after your flight yesterday. A little while after breakfast we will enjoy a welcome briefing with the group before beginning our guided Colombo city tour. Colombo is a busy and vibrant place featuring a laid-back ambience where different cultures are constantly mixing. Our city walk today will cover the main spots in the city and give you a wonderful chance to experience local architecture and lifestyle. We will visit both Buddhist and Hindu temples, the Dutch Reformed Church and the mesmerizing Red Mosque, all while learning about Sri Lanka’s complex and fascinating history. We’ll also tour the bustling and colourful Pettah Bazaar, which provides unique and undiluted insights into Colombo. Next we’ll see Independence Square, Parliament, and the National Museum. Our city tour today will finish with a shopping opportunity for a good cause at the Barefoot Fair Trade store. Here you can find a collection of handicrafts from around the country and support small cottage industries. Following our tour, we will depart Colombo and head for the perfectly preserved colonial township of Galle, which features an interesting blend of European architecture and South Asian traditions. Upon arrival in Galle we will take a tour of the Royal Dutch Fort, exploring the winding passageways, maze of gallery-filled narrow streets and 400 years of rich history. After this we will continue on to Weligama, a beach town on the south coast where we will check in to our hotel for the evening.

You’ll have the choice between 2 of 10 bonus sightseeing experiences to enhance your journey. You may choose to include two (2) optional Inspiring Sights throughout your tour, free as part of your package.

This morning enjoy some leisure time or participate in one of our bonus **Inspiring Sights** to enhance your experience. Shortly before lunch we will transfer to Ella, an area with a rich biodiversity, dense with numerous varieties of flora and fauna. En-route we will have the opportunity to discover one of Sri Lanka’s favorite ingredients - Buffalo curd. Served in bright terracotta pots with thick, golden treacle, it is often eaten as a snack, an accompaniment to meals or as a dessert. Sri Lankan’s are famed for their sweet tooth and this is just about as sweet as it gets. Along the way we will also make a stop at the stunning Ravana Falls. The Ravana Falls (popularly known as Ravana Ella in Sinhala) is a very popular sightseeing attraction in Sri Lanka. It currently ranks as one of the widest falls in the country. This waterfall measures approximately 25m (82ft) in height and cascades from an oval-shaped concave rocky outcrop. During the local wet season, the waterfall turns into what is said to resemble a flower with withering petals. But this is not the case in the dry season, where the flow of water reduces dramatically. The falls form part of the Ravana Ella Wildlife Sanctuary.

Upon arrival in Ella we will enjoy a lovely city orientation tour before checking into our **Inspired Stay**. Here we will spend two magical nights in the hills of Ella at the 5 star 98 Acres Resort & Spa overlooking the misty valley below. The exquisite countryside, breathtaking views and exciting nature trails will assure you of a memorable holiday at one of the most breathtaking hotels in the region.

The city of Kandy is perched on a mountain ridge overlooking the lush green countryside and offers many a photo opportunity. Kandy is the second largest city in the country and the capital of the central hill regions. It is a very peaceful and attractive place and today we will appreciate an informative city tour. We will begin in the morning at the captivating Temple of the Tooth Relic (Dalada Maligawa). Located in the heart of town, this is the most important shrine in the country, housing a relic of a tooth of Buddha taken from his funeral pyre.
Following this you may choose another **Inspiring Sight** visiting the Royal Botanical Gardens. Our city tour will also include a walk through a local market where we can taste a large number of endemic fruits while experiencing the city’s day to day life.

This evening you will get another chance to visit a local home to experience an interactive cooking class and delicious meal for our second **Inspiring Taste**. We’ll join a Sinhalese family to spoil your sweet tooth with a Kandyan sweet-filled Sri Lankan dinner. Try your hand at crafting the perfect hoppers (this is an art that takes some practice to master!) and try a chicken curry made with spice-infused coconut milk, closer to a Thai curry than a classic North Indian one. We’ll then fill up on specialty sweets inspired by Dutch and Portuguese dessert traditions.

The stunning stone facade has been weathered over many centuries and the view from the top is brilliant. On our climb up we’ll visit the beautiful water garden, boulder garden, Sigiriya Frescoes and the mirror wall. Once we pass the Lion Paw it’s a steep climb with plenty of steps and walkways along the side of the rock. Those not wanting to go to the top can rest at the lion paw until the rest of the group return. In the afternoon we’ll visit the 5th century Ancient City of Polonnaruwa and the fascinating Archaeological Museum. The second most ancient of Sri Lanka’s kingdoms, today the city of Polonnaruwa remains one of the best planned archaeological sites in the country.
