DAY 1
Destination  Home ✈ Colombo
Meals included
Hotel  The Gateway Hotel, or similar

A warm welcome awaits you at the arrival lounge of the Bandaranaike International Airport. You will be met by our local representative and transferred to your hotel. Check in and relax after your international flight.

Please note: Most flights into Sri Lanka arrive late in the evening of day 1.

DAY 2
Destination  Colombo ✈ Sigiriya
Meals included  Breakfast, Dinner
Hotel  5 ★ Sigiriya Jungles, or similar

Today enjoy a late start, taking time to relax and prepare for an exciting first day of touring. We’ll leave the hotel around 9.30-10am, bound for Sigiriya, or Lion Rock. En route we’ll spend the afternoon on a private jeep safari at either Minneriya or Kaudulla National Park to witness the unique phenomenon of elephant ‘gathering’. During the dry season – from June to September – hundreds of elephants travel to ancient reservoirs located within the parks for water. Minneriya and Kaudulla are two of the best places in the country to see wild elephants. Outside of the dry season (and depending on the elephant migration patterns) the safari will be conducted in one of the surrounding parks.

This evening, enjoy a pre-dinner nip of arrack (a potent local spirit made from the fermented sap of coconut flowers), or a glass of something else to suit your taste.

DAY 3
Destination  Sigiriya ✈ Lion Rock ✈ Sigiriya
Meals included  Breakfast, Lunch, Dinner
Hotel  5 ★ Sigiriya Jungles, or similar

This morning we’ll climb the ancient rock fortress of Sigiriya, or Lion Rock – one of the highlights of any visit to Sri Lanka. A dramatic rocky outcrop that rises from the surrounding plains like a mirage, the 200-metre tall rock column is topped by the ruins of a 5th-century citadel. Reaching the top of the rock requires a little leg work, but is well worth the effort. The stunning stone facade has been weathered over many centuries and the panoramic view from the top is awe-inspiring.
On our climb we’ll explore the beautiful water garden, the boulder garden, the colourful frescoes and the so-called ‘mirror wall’. Once we pass the lion’s paws, hewn from solid rock, it’s a steep climb with plenty of steps and walkways. Those who don’t wish to venture to the top can rest at the lion’s paws until the rest of the group return.

For lunch today, take part in a cooking class of Sri Lankan rice and curry, enjoying five to six typical curried dishes while overlooking the paddy fields.

In the afternoon we’ll visit the Ancient City of Polonnaruwa and its fascinating Archaeological Museum. The second most ancient of Sri Lanka’s kingdoms, the ruins of this city were declared a UNESCO World Heritage Site in 1982 and used as a backdrop for some scenes for the Duran Duran music video *Save a Prayer*.

This evening, enjoy another round of arrack before dinner.

This morning we leave for Kandy. En route, visit the Matale Spice Garden to learn more about Sri Lanka’s agricultural heritage. We then continue on to the Sacred City of Kandy, declared a UNESCO World Heritage Site in 1988. The second largest city in the country, and the capital of the central hill regions, Kandy remains a very peaceful place that’s centred around a lake. It’s home to a famous Buddhist pilgrimage site, the Temple of the Sacred Tooth Relic (Sri Dalada Maligawa), not to mention well-preserved ruins of the royal palaces.

Spend your afternoon in Kandy exploring or relaxing as you wish.

After breakfast we bid farewell to Kandy and hop on what is widely recognised as one of the world’s most scenic train rides, winding around mist-shrouded hilltops, through vivid green valleys and past waterfalls, on our way to Nuwara Eliya. Apart from taking in the breathtaking scenery of tea country, this is a great opportunity to mingle with locals.
Often referred to as 'Little England', Nuwara Eliya, is a genteel highland community with a British country village feel to it thanks to the resident colonial-era bungalows, which come courtesy of its British roots.

Please note: it is not possible to confirm the train ticket reservation due to the fact that Sri Lanka Railway has a manual system for reservations. Tickets can only be booked 30 days prior to departure. The 1st and 2nd class carriages are basic, but have air-conditioning. On the rare occasion that the train is fully booked we'll travel by road instead.

**DAY 6**

**Destination**  
Nuwara Eliya ➔ Yala/Tissamaharama

**Meals included**  
Breakfast, Dinner

**Hotel**  
Mandara Rosen, or similar

While making our way to Yala/Tissamaharama, we’ll stop en route at the ancient Buddhist Buduruwagala Temple, which belongs to the Mahayana school of thought. The complex consists of seven statues, which date back to the 10th century. One Buddha statue, which measures 16m from its head to its toes, still bears traces of its original stuccoed robe and a long streak of orange suggests that it was once brightly painted.

After checking in to your hotel spend your afternoon on a guided game drive spotting the abundant flora and fauna of Yala National Park. As one of the largest national parks in the country Yala is the ideal place to spot the rare Sri Lankan leopard.

Please note: sections of Yala National Park close due to conservation efforts each year between September and October. The closure dates are advised by the Sri Lankan government one to two months prior and differ each year. As Yala National Park is made up of multiple sections, if one section is closed due to conservation works we will visit one of the open sections.

**DAY 7**

**Destination**  
Yala ➔ Galle ➔ Colombo

**Meals included**  
Breakfast, Dinner

**Hotel**  
4★ Galle Face Hotel, or similar

This morning we leave for Colombo. En route we explore the Galle Fort and its fortifications. Galle is a carefully preserved colonial city, which features an interesting blend of European architecture (Portuguese, Dutch and English) as well as South-Asian traditions. It was declared a UNESCO World Heritage Site in 1988.
As we continue on to Colombo we’ll also visit a turtle hatchery. There are only seven species of marine turtles in the world and five of them are found in the warm, clear waters off Sri Lanka’s coast: the hawksbill, loggerhead, green, leatherback and olive ridley.

**DAY 8**

**Destination:** Colombo | **Meals included:** Dinner

## TIPPING

A friendly reminder that tipping is not included in your package. At the commencement of your tour you will be asked to provide tipping to your guide towards a ‘kitty’, which is then used towards the guide tipping for the services of helpers, hotel staff, restaurants and airport porterage. You will be asked for AUD$35 per person. Please note that this tipping is not for the guide or driver, merely for the guide to tip the services of other local workers during your tour. While not made compulsory, if you choose not to contribute to the kitty it means that the guide is tipping for these services out of their own pocket. Your cooperation in this instance is most appreciated.

Further, tipping for your guide and driver will be collected at the conclusion of their services. To remove the uncertainty and stress of not knowing how much is appropriate to tip we recommend AUD$6 per person per day for your guide and AUD$3 per person per day for your driver to be paid in local currency. The amount you wish to contribute is dependent on the services received and at the complete discretion of the guest. Thank you for your understanding.
